- 4.2. Scores from state qualifiers will be used to determine an individual archer's ranking score if the regional tournament is cancelled for any reason. In the event that a regional tournament must be cancelled, (for archers in that region) we will average the top 2 scores from state qualifiers for the archer if the archer has competed in a minimum of 3 state qualifiers. To qualify, the coach must make sure all scores for each archer appear under a single archer history listing for the archer.
